

# Rachel's Joy MATERNITY Ministries

Spring 2020

I would like to begin with a thank you to our faithful supporters and partners

around the country for being so faithful to stand with us at Rachel's Joy Maternity Ministries.

President Trump is launching a new division within the Department of Health and Human Services to protect nurses and doctors who don't want to perform abortions.

"The Conscience and Religious Freedom Division has been established to restore federal enforcement of our nation's laws that protect the fundamental and unalienable rights of conscience and religious freedom".

Continue to pray to stop our nation's abortion's rate. Since 1973 Roe vs Wade there has been 60,069,971 abortions in the United States.

Rachel's Joy Ministries helps women who do not become residents of our program but still choose to have their babies. We place them in other programs and provide them with baby clothes and

supplies which we distribute to women who are struggling throughout the five boroughs and around the country.

Jamika and I met on the phone as she was seeking help for a placement maternity home in her area. She was in Charlotte North Carolina. She has recently had her child and is now living independently with her son. She is a brave girl and a sweet person. I never met her except on the phone and one day I said Jamika I would like to come and see you. She said I am coming to New York to take the train to my parents in Niagara Falls we can see each other at Grand Central Station. So the day she was passing through it worked out and we met each.

## Raffle Winner

Our program supplies all that is necessary for the women to have a healthy and happy baby. We also go along side of them and will be there for them through every hurt they have ever experienced.

This ministry is very needed in the body of Christ.

Many women shy away from their place in the body of Christ because of low self esteem. With over 30 years experience in this ministry, I feel compelled to share with the body of Christ what God has done for me and the women I have served.

Thank you so much for your support. If you would like to donate to Rachel's Joy please go to:

The women need your prayers many of them don't understand the Grace of Jesus Christ and what he has done for them on the cross.

*The 2020 Women's Retreat will be October 23-25 2020.*

*At America Keswick in New Jersey. See our web page for details.*

*Our wonderful Doula Timonique. She is helping us reach women who need support at the time of their greatest need. Many of the young girls are having their babies alone without support.*

Needs:

1. New baby clothes new born to 6 months
2. We are in need of your prayers always. One of the most valuable things you can do is pray for us regularly.

This is another baby we gave baby clothes to and assisted with other needs. She and her mom are now part of our church congregation.
