

Rachel's Joy Maternity Ministries

Summer 2020

I would like to **begin with a thank you to our faithful supporters and partners**

around the country for being so faithful to stand with us at Rachel's Joy Maternity Ministries.

We want to reach out to all the people who support us at this time with prayers and protection. The covert 19 virus has changed our way of life. It has caused a lot of sorrow. But on the positive side much needed family time and time alone in reflecting. Our women are being provided for. We have phone mentors calling our women and counseling them, this is going well.

We ask that you help us with baby clothes because our supply is depleted.

I would like to share a letter from one of our girls.

Thank you Pastor Susan for everything you has done for me. I am grateful you came into my life if it wasn't for me going online give her a call and her directed me to different maternity homes I didn't even know her. I just was online looking for some help to move back to New York State and she convinced me to stay in Charlotte and gave me different opportunities. I made one phone call to a number she gave me

and that was the next step to life going to the Lois lounge in Matthews North Carolina maternity home for pregnant women I was the oldest one there but because of my circumstances they still allow me to come everything is not always perfect but God knows how to direct you in the right way. Pastor Susan you have done an absolutely amazing job with me and thank you for helping me to get home and have money in my pocket always sending my baby things if it wasn't for her he wouldn't have as much as we have. If it was not for her I wouldn't have really truly accepted God in my life. I think her for everything she has done she excepted who I was no matter what my background, as I was through addiction and homelessness abuse etc. etc. no one's perfect but God knows when somebody really needs help in their life and you were definitely there for me you and her husband. A sister from the church always calls checking up on us we thank you and we won't ever forget Pastor Susan and Rachel's Joy we won't ever forget her for that. Jamika

Continue to pray to stop our nation's abortion's rate. Since 1973 Roe vs Wade there has been 60,069,971 abortions in the United States.

Our program supplies all that is necessary for the women to have a healthy and happy baby. We also go along side of them and will be there for them

through counsel and support during and after their pregnancy. Amazingly, many girls just want a friend, and sound advice. This ministry is needed in the body of Christ. With over 35 years in this ministry, I feel compelled to share with the body of Christ what God has done for me and the women I have served.

Boy has he grown

Rachel's Joy Ministries helps women who do not become residents of our program but still choose to have their babies. We place them in other programs and provide them with baby clothes and supplies which we distribute to women throughout the U.S. your prayers are needed because many of the women don't understand the Grace of Jesus Christ and what he

has done for them.

The 2020 Women's Retreat will be October 23-25 2020.

At America Keswick in New Jersey. See our web page for details.

Our Doula classes have been suspended because of Covert 19. We saw women who need support at the time of their greatest need. Many of the young girls have had their babies now.
