

# Rachel's Joy Maternity Ministries

Winter 2021

I would like to begin with a thank you to our faithful supporters and partners

around the country for being so faithful to stand with us at Rachel's Joy Maternity Ministries. We want to wish you a Happy New Year from our heart to yours.

We want to reach out to all the people who support us at this time with prayers of protection. The Covid-19 virus has changed our way of life. On the positive side much needed family time and time alone in reflecting. We mail all the baby clothes and they also pick up at our Mission in Brooklyn. We have phone mentors calling our women and counseling them, this is going well.

We ask that you help us with baby clothes because our supply is depleted.

I would like to share a letter from one of our girls Josie.

I met Josie when she called me for placement. She wanted to get an abortion. She asked with tears in her voice, "is getting an abortion wrong in God's eyes?"

Pastor Susan helped me find light in a dark place. I reached out to Rachel's Joy Maternity

Ministries crying and overwhelmed. Pastor Susan Helped calm me down and let me know that God had a plan for me and my baby bigger than I could ever imagine. She gave me advice on dealing with family and my child's father and offered me a place to stay if I needed it, money for baby supplies, and most importantly a new church home! Thanks to Pastor Susan I have come to terms with my pregnancy and the changes a child will bring. Pastor Susan checks in frequently and makes sure I feel supported; she does more than anyone in my personal life does. I'll be grateful forever and can't wait to give back to Rachel's Joy Maternity Ministries when I'm able.

Continue to pray to stop our nation's abortion's rate. Since 1973 Roe vs Wade there has been 60,069,971 abortions in the United States. Our program is changing that one baby at a time. Our program supplies all that is necessary for the women to have a healthy and happy baby. We also go along side of them and will be there for them through counsel and support during and after their pregnancy. Amazingly, many girls just want a friend, and sound advice. This ministry is needed in the body of Christ. With over 35 years in this ministry, many times I share with the clients my testimony.

Rachel's Joy Ministries helps women who do not become residents of our program but still choose to have their babies. We place them in other programs and provide them with baby clothes and supplies which we distribute to women throughout the U.S. by mail. Your prayers are needed. Many of the women don't understand the Grace of Jesus Christ and what he has done for them.

Thank you so much for your support. If you would like to donate to Rachel's Joy please go to:
